Designed To Save You
Money And Time.

rotor rewards

Rotor Rewards from Eurocopter Canada was designed to address the complete support and service needs of our loyal customers who have come to depend on the reliability and performance of Eurocopter Canada's products, programs and people.

For Eurocopter clients across Canada, Rotor Rewards is a comprehensive new program that includes tailor-made support programs, exclusive member promotions and perks as well as new range of discounts and rewards that have been expanded to include our full range of industry leading services.

Available exclusively to Canadian owners and operators of Eurocopter aircraft, Rotor Rewards provides a monitored, proactive and customer-focused program that will save you money and time, while streamlining your operations and keep your aircraft flying.

Your single source for support and savings.

Rotor Rewards allows loyal Eurocopter Canada customers to save valuable time by relying on a single, reliable and dependable source for products and services while improving the bottom line with discounts and rewards.

Enjoy an entire spectrum of support tailored to your needs.

A Eurocopter Canada representative will work directly with you to set up and track your membership in the Rotor Rewards program. Your tailor-made program will cover a full range of support services, forecasting your needs in order to save time and reduce your operating costs.

Use more services and your rewards go higher, faster.

Eurocopter Canada's Rotor Rewards provides members with an easy way to boost reward levels across the board through increased use of our industry leading services. Quite simply, the more Eurocopter Canada services you use the more you will save through higher discounts and increased reward points.

- > **Rotor Rewards — More Ways to Save.**
Depending on the level of spares and services purchased with Eurocopter Canada by members of the Rotor Rewards program there are a number of ways to save*:
- > **Spares Discount** — Up to 10% based on overall purchase volume.
- > **Bonus Spares Discount** — Up to an additional 2% based on purchase of services.
- > **Service Reward Points** — Earn 3% in bonus points that can be applied to future services and spares purchases.
- > **On-Time Payment Spares Discount** — Earn an additional 0.5% spares credit for on-time payment of invoices in the year.

an EADS Company

Eurocopter Canada

Eurocopter Canada Limited is a subsidiary of Eurocopter Group. Based in Fort Erie, Ontario, Eurocopter Canada has a large fleet of aircraft operating in all sectors and supported through a network that spans the entire country. Established in 1992, the Eurocopter Group is a division of EADS, a world leader in aerospace, defence and related services. Eurocopter is the world's No. 1 helicopter manufacturer in the civil and parapublic market, offering the largest civil and military helicopter range in the world.

Eurocopter Canada — Support Network

The Eurocopter Canada support network encompasses a wide range of services delivered through a team with years of experience located at our manufacturing facility in Fort Erie, Ontario and the expanded customer service facility at Richmond, British Columbia. The regional technical representatives and a dedicated customer helpline ensure round the clock access to customers.
