

We're looking for a **Pilot Instructor** to join our team so if you or someone you know is qualified then we want to hear from you!

Pilot instructors enhance the customer and customer pilot experience, by ensuring full ground and flight instruction training in accordance with our Flight Operation and customer requirements. As a Pilot Instructor you will determine and develop training format and content to effectively present Eurocopter's training curriculum, and enhance customer satisfaction and service.

If your track record shows you can ...

- Provide detailed and accurate pilot training and instruction according to customer needs, specific Eurocopter aircraft and procedure requirements
- Ensure safety in the flight operation and training program
- to ensure understanding and pilot training success
- Develop, conduct and revise training curriculum and adapt your training style to specific pilot-trainee needs, to ensure safe and accurate training and ensuring pilot-trainee understanding and success
- Maintain current knowledge of all aircraft models and ensure awareness of all updates and changes in technology and flight procedure as they are advised by Eurocopter
- Present the advantage of OEM pilot training to customers to obtain additional market share and enhance the operational safety of flight
- Prepare simulator course curriculum for future course at AEC with Canadian Customers

And if you have...

- Airline Transport Pilot or Commercial Pilot Certificate for Helicopters
- Type rating on AS350. (Type rating on EC120 and experience on EC130 would be an asset)
- Approved Flight Instructor Rating, Class 3 or higher
- Ground School Instructor experience and stamina, and ability to teach 3 day ground school
- Category 1 Medical
- 3,000 flight hours (2,500 in helicopters and min 500 as pilot in command)
- Effective communication skills and ability to work within a team
- Extensive Emergency Flight Training Experience, Post Maintenance Flight Test Experience
- A flexible schedule (travel required for extended periods of time, no more than 2 weeks at a time)
- Bilingual (English & French)

With the additional assets of:

- IFR Rating
- 350 hours as multi-engine helicopter pilot
- Experience on any other Eurocopter types

... then we want to hear from you!

To apply to this position, please send an updated resume and cover letter to tara.overholt@eurocopter.ca by Tuesday, June 12th. Please be advised that only qualified applicants will be considered for an interview.
