Change your life – Join our team!

We're looking for a Warehouse Worker to join our team. So if you or someone you know is qualified, then we want to hear from you!

Reporting to the Supervisor, Warehouse; the Warehouse Worker will be responsible for receiving, stowing, and picking material as well as maintaining inventory integrity within guidelines set out in Eurocopter's quality control manuals. They will also be required to use specific material handling equipment requiring specialized training in the execution of these duties.

Your responsibilities...

- Prioritizing and organizing parts and materials for picking
- Reviewing and updating automated pick-lists from Manufacturing
- Preparing work orders, parts and materials for in house delivery
- Receiving stock from vendors, inspecting condition of package(s) and ensuring the correct amount has been received
- Stowing parts, maintaining and updating the daily Receiving Report Log

If your track record shows you have ...

- Ability to multitask and set priorities
- Effective communication skills and organizational skills
- Accuracy in data entry and paperwork tasks
- Ability to work independently under general supervision
- Ability to work under pressure and meet tight deadlines
- Basic computer skills (CINCOM, Microsoft Outlook, Excel, and Access)

Position requirements...

- Must be able to work "on call" on a rotational schedule with other qualified Warehouse Workers
- Must be able to lift up to 25kg, frequently
- Must be able to lift and bend regularly
- Must consent to a security assessment as part of ECL's Controlled Goods Program (EPI 580-006) which includes a Criminal Record Name Check and possibly a Credit Check Report
- Must undergo annual medicals (isocyanate exposure)
- Must wear steel toe footwear at all times and safety glasses for certain tasks in the warehouse

... then we want to hear from you!

To apply for this position, please send an up-to-date resume and cover letter to HR@eurocopter.ca

About us...

Established in 1992, the Eurocopter Group is a Division of EADS, a world leader in aerospace, defense and related services. With approximately 20,000 employees in 30 subsidiaries on five continents, customers can rely on Eurocopter to ensure all activities of support, service and training are provided with best in class service.

Eurocopter products account for 33 percent of the total world helicopter fleet, a success based on its comprehensive range of civil and military helicopters.

In 2011, Eurocopter confirmed its position as the world's number one helicopter manufacturer with a turnover of 5.4 billion Euros, orders for 457 new helicopters and a 43 percent market share in the civil and parapublic sectors.

Eurocopter Canada Limited offers personal development for our employees with an active career, responsibility, and opportunity for international mobility.

As a best in class employer, you'll enjoy competitive salary, benefits, vacation time and work environment.
